

April 10, 1983

GREETINGS:

The Spring 1983 meeting of the Ohio GODCORT will be

May 9, 1983

Business meeting at 10

Program meeting at 1

in the 2d floor classroom of the Public Library of Columbus and Franklin County, at 96 S. Grant Ave. Parking is available behind the Library or in a parking lot across the street. (As a reference point, State Street goes from Front Street (the State Library and Lazarus) to Grant Street (Public Library) with the State Capitol in the middle.)

The agenda for the business meeting is:

the election of officers for 1983/84

The Nomination Committee has submitted the following slate for 1983/84

Vice Chair/Chair-elect	George Kline
	Toledo-Lucas County Public Library
Sec/Treasurer	June Coughlin
	BGSU-Firelands College

- forming an Ohio State Plan Task Force
- report on the Spring Depository Council Meeting
- report from the Union List Committee
- report on Julia Baldwin's research proposal - Federal depository collections in Ohio academic libraries
- other old & new business

The program will be DOCUMENTS AND AUTOMATION IN OHIO LIBRARIES. The speakers will be

- Ellen Conrad, College of Wooster is using a Terak work processor to prepare an active item number list print-out for processing the daily shipments.
- Mary Prophet, Denison University will discuss her use of the campus computer system in their Documents Department.
- Sherry Mosely, Youngstown State University is using an Apple micro computer to prepare a subject index for Ohio documents.
- Ohionet-OHIOPI, We have asked Ohionet to give an introduction to their proposed Ohio Public Information Utility data base.

Sherry and the program committee have prepared an interesting and timely meeting for us. Some days I'm not sure I want to be computer literate, but I am looking forward to hearing about what can be done with documents and computers.
